

Attachment #1

3/07/01

Dimas

OK - I give !!

The 2 boxes in the "brown" boxes are new, but neither will disassemble!! Have tried until I'm grey headed & bug eyed!!

The one in the white box has been working & all of a sudden just stopped. Did not even mess with it.

Get me know, Cheryl

cab341960 @ yahoo.com

Thanks

EVIDENCE # 1A PACKAGE #1
